

Dear God,

God, I want to get to know you more, and be closer but I just feel so distant. I try to think about how I can be more like you in my everyday life, but I just keep on slipping up. I'm just so hungry for you to hear me. I know you understand, you understand everything. But I don't feel like you hear me. Is it something I've done? I wonder sometimes why I'm here. Then I remember what I've been told over and over before: everything happens for a reason. I just try to always keep that in mind.

Love, Me

Abby's letter to God....

*"Dear God, I wish that you would stop the conflict in my family. I wish for my dad to come back. I wish my mom would stay healthy."*

Abby is a former Lutherwood resident Lutheran Child and Family Services' Spiritual Engagement, Education & Development (SEED) Program is an important piece of each child's plan of care at Lutherwood. With your help, we can achieve our goal of building a community of healing where relationships with God, self and others are renewed and restored.

The SEED Program is grounded in Lutheran Child and Family Services' faith-based values. We're committed—with your support—to assist our residents, clients and their families in two ways: by providing encouragement toward both ROOTEDNESS and GROWTH in mind, body, and spirit.

## How You Can Help

As a faith-based program, SEED is funded separately from other Lutheran Child and Family Services programs; public funds may not be used to sustain SEED. This ministry is supported totally through charitable gifts from foundations, congregations, and people like you.

Please make a gift to SEED today. Your gift will turn around more young lives, extend hope and purpose, and build stronger families.

Please send your gift to:

Based on qualitative research conducted throughout the past two years by Lutheran Child and Family Services' staff, SEED will focus on:

1. Voluntary, weekly chapel services and Bible study.
2. Renewing relationships by addressing children's anger.
3. Restoring hope through understanding and coping with grief.
4. Moving toward healing and growth by proactively focusing on hurt, pain and loss.
5. Connecting children with caring faith communities and mentors.
6. Providing training in spiritual care to faith leaders, families and volunteers.

We recognize, respect and support the various faith commitments of our diverse clientele; SEED is motivated and grounded in decades of Lutheran tradition and Christian values: acceptance, grace, forgiveness, and renewal inspired by Jesus Christ.
