Program Highlight:

INSPIRE is hosting a new event for the families we serve! Our program coordinator, Khaliah, is hosting a meet & greet event this June. Our INSPIRE families will enjoy games, eat food, and have an opportunity to meet the LCFS staff who directly serve them.

Another important INSPIRE update: Monthly check-ins for families have returned! Our families will now be able to check in every month with our staff to ensure we're providing the highest quality of care possible.
