## Meet Paola Palami

### **As a Youth Enrichment Coordinator what do you do?**

I will be doing the programming for an after school program at IPS 88. I will also be supervising the apprentices that are participating in the Modern Apprenticeship Program. The apprentices and I will be working together to create an educational and exciting after school program that will INSPIRE Indianapolis youth!

### **Tell us a little bit about yourself!**

I graduated from IUB in May of 2022. I was born in Mexico and moved to the U.S. when I was 5 years old. I speak Spanish, but really want to learn another language. I am a people person, so I absolutely love hanging out with my friends and family . I enjoy going to new places like restaurants and stores! I enjoy working out, reading and watching reality tv.

### **What are you most excited for at LCFS?**

I am most excited that I get to do what I have always wanted to do! I have always wanted to help youth and their families find the resources they need to succeed, and it is a perk that I get to work somewhere that my Spanish skills come in handy.
