

SNAPSHOT OF OUR WEEK:

SEE YOU
NEXT
TUESDAY,
DECEMBER
6TH!

NOVEMBER 28TH,
30TH & DECEMBER 1ST

SECOND
WEEK

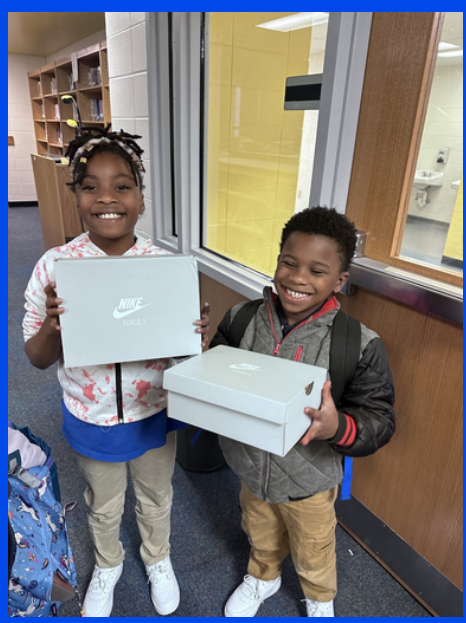

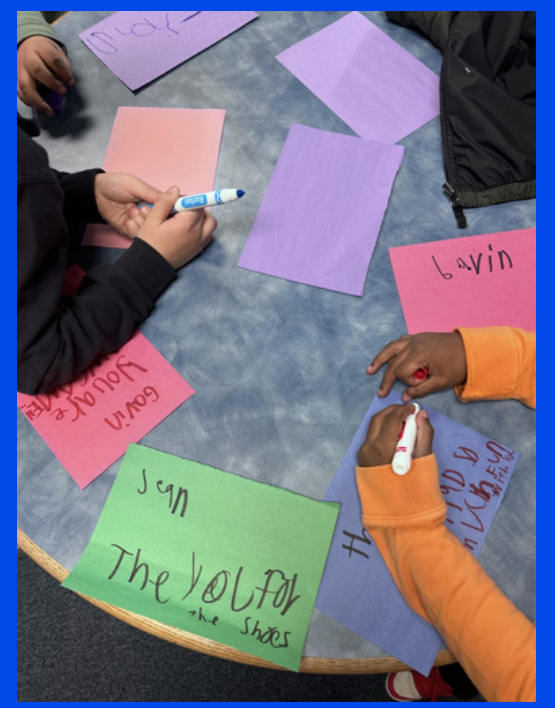

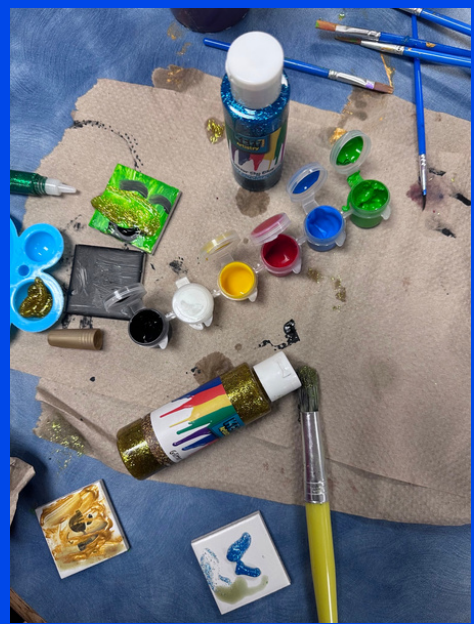

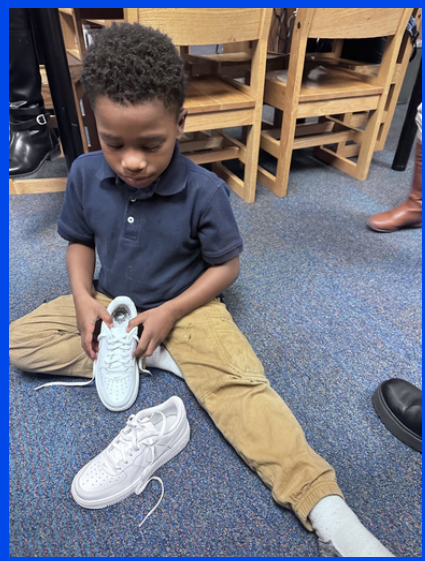

PARTICIPATION IS KEY!

We have noticed that all the kids have participated and enjoyed the activities we have done thus far. We also have notice friendships forming between the kids! They love to crack jokes and laugh. The kids are all working together, and it is great to see! The kids are also so respectful and kind.

SHOTOUT OF THE WEEK:

Our apprentices, Ciera and Chance, are doing an amazing job leading your children! They have been so helpful. INSPIRE is very lucky to have them be part of our team!

This week we had some very amazing things happen! Tuesday we painted magnetic tiles. D'enilah and Illyana got super creative with their tile designs. Wednesday was a great day! We partnered with Finish Line Headquarters. The kids were able to learn more about what it is like to work at Finish Line. They also learned some fun facts about Finish Line. Did you know they made \$15 million dollars a week?! The best part was that your kids got to go home with a free pair of BRAND NEW AIR FORCE ONES! We are extremely happy the kids are able to get these opportunities through our program! We are also so thankful for Finish Line and the work they did with us. Thursday was spent writing Thank You notes to Gavin, TJ and Sean who were the Finish Line volunteers. We can't wait to see you all next week! Pictures will be attached to this flyer!

Pictures were only taken of students who have a signed picture release form!
