

SNAPSHOT OF OUR WEEK: NOVEMBER 15TH & 17TH

FIRST WEEK

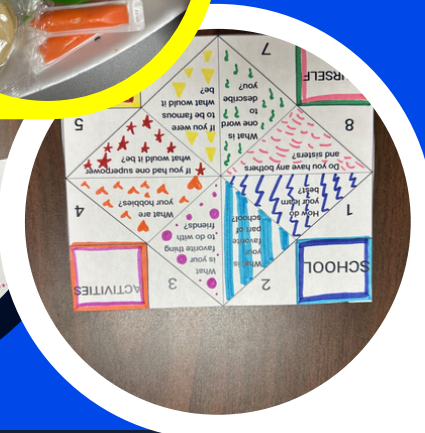

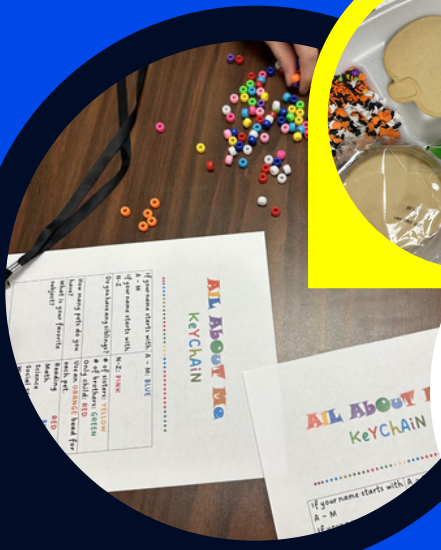

SEE YOU NEXT TUESDAY NOVEMBER 22ND!

This week we worked with the kids and helped them make key chains, all about me t-shirt's, and about me fortune tellers! We also worked on name tags so everyone knows each others names! For the kids that were not there Tuesday, we made up bags for them to take home with instructions to each activity we did! We decorated cookies on Thursday! Karter, Derrick & Erasmo showed us their awesome dance moves. Your kids are all so awesome! We can not wait to see them grow as they continue participating in our after school program!

Being prepared is important!

Our youth apprentices, Ciera and Chance, have spent a lot of time preparing for the program to start! They not only helped with programming, but they also created after-school club rules to ensure that all students are in a fun but safe environment.

PLEASE RETURN A SIGNED PHOTO RELEASE FORM TO PAOLA IF YOU ARE OKAY WITH US TAKING PICTURES OF YOUR CHILD(REN).
